January Is Moose Legion Honor Month

“... A special ‘shout out’ to those who are proud Moose Legion members. They contribute in exceptional ways.”

— Bob Neff, Director of Higher Degrees

As we approach the year-end holiday season, many things to be thankful for always come to mind. For many, this is a traditional time of shopping or making gifts to show our appreciation for others.

Can you think of a lodge member or two who has been getting more active but has not yet advanced to the Degree of Service? Now might be a great time to extend a fraternal hand, inviting him (or them) to advance to the Moose Legion. A friendly conversation discussing the good we do as a fraternal unit of the Order might indeed be welcome. We were asked at some point to join or we would not be members. Share what you have found with others by inviting them to advance and then attend the conferral with them. It just might do you both a world of good.

The Moose Legion is now approximately 105 years old. We did not get to this point by sitting idle watching the world pass. The history of our degree is rich with success stories and tales of accomplishments to help our Fraternity in numerous ways. Pride is what comes to mind when thinking about that. Let’s share that sense of camaraderie and satisfied fulfillment with others around us.

We could list a number of our past accomplishments here but we have them in print and online resources. That would probably be better-shared at a local program to recognize and honor those past and present Moose Legionnaires for their accomplishments, service and future plans of even greater good. There is still time to plan a January dinner, a potluck maybe, or even just a cake and coffee gathering.

We suggest you plan a short program and invite your Moose Legionnaires and their ladies to attend, along with other members of the lodge and chapter. Together you might enlighten those who attend with stories of what we do and share an afternoon or evening with the group. Perhaps you will want to recognize a member or two who has recently done something or provided some extra special service for the committee, the lodge or the Moose Legion jurisdiction. It might be a good time to start an annual tradition of such recognition.

Whatever you do, please know that while we appreciate all our members, we send a special “shout out” to those who are proud Moose Legion members. They contribute in exceptional ways in our ability to care for our Mooseheart students and Moosehaven residents.

Happy Moose Legion honor month. Thank you Moose Legionnaires for all you do in support of our Moose mission! ■
