Wisconsin Moose Association

September 2022

Hello Moose Legion Brothers,

The Wisconsin Moose Legion Fun Weekend in West Bend 26 - 28 August 2022 was a great time. We had the privilege of Dan Gooch the International Moose Legion President and his wife Debbie hanging out with us for the weekend, we enjoyed golfing, corn hole, food, music and even tossed a few drinks back for a great Fraternal weekend. We voted to hold next year's Fun Weekend in Eau Claire, WI date to be determined. After convention I will be visiting different Lodge Moose Legion Committees and Jurisdictions. I want all Moose Legion Members to remember we are here to help our Lodge and communities while having fun. We need to be creative and open to ideas, never be worried about trying something new. Remember the first event you try may not be as successful as you hope, but make some changes and try again, you will learn what works best for your Lodge. Ask other Moose Legions, Lodges and WOTM Chapters for ideas and suggestions, we need to work together to take care of our Lodges, Moose Legions, communities, Children at Mooseheart and Seniors at Moosehaven. I hope to see you in Florida, November 10-13, for the 2022 Moose Legion International Conference. I hope to see you soon, Thank You for what you do for others. Till we meet again.

Fraternally,

WISCONSIN TREE LIGHTING & SENIOR PORTRAIT LUNCHEON

It is always a hard transition for all us, but if that famous craft store, which is not open on Sundays, can put out Christmas decorations in July, then we should be able to prepare for the Annual Senior Portrait Luncheon and Tree Lighting at Mooseheart on Saturday December 3, 2022!

Many of you have heard that the Mooseheart Light Display is not happening this year. This does not in any way change the Wisconsin Moose Association's wish to continue to support the Mooseheart Class of 2022 with their senior portraits.

The WMA will host the luncheon in the Mooseheart Gymnasium for you, the members, who will then have the opportunity to tour the Campus to meet and bond with many of the children we support.

Two options for Sponsorship of a Senior! The first option is to sponsor a Senior, the exact number of graduating Seniors is unknown at the time of this writing. The cost to sponsor a Senior is \$325.

The second option is to sponsor the class portrait of the entire Class of 2023! Each Senior will receive a class portrait! The cost of a Class Portrait is also \$325. Either option will cover the cost of the portraits and include 3 luncheon tickets.

We would love to see many of you on this day! Additional lunch tickets can be purchased for \$15.

Attend a meeting at your local Lodge and make sure they have sponsored a Senior. Check to see if your local Lodge is hosting a coach bus making the trek down to Mooseheart!

Members through the years will all agree, once you step on the grounds of Mooseheart - you will always maintain your membership in the greatest Fraternity around!

Senior Portrait Chairmen,
John and Nicole Springsteen

MEMBERSHIP NEWS & HIGHLIGHTS

Hello everyone! If you are reading this before our State Convention held in Stevens Point on September 8th thru the 11, I hope you have registered and will be attending this important gathering. Please stop by the membership booth and/or the membership bake sale, say hi and let's talk about our needed Moose Lodge membership growth.

If it is after the above dates I hope you did stop by and said hello, got some ideas to help your lodge grow and you had a great fun time at the State convention.

Our new WMA State President, Michael Wixom, and his board are fired up for our fraternity and state Moose year. We all need to get behind our leaders and "Make It Happen" in fun, fellowship, and growth.

I cannot emphasize enough the importance of membership growth at our lodges and overall fraternity. People if you're not growing your dying!! We all need to use the easiest most simple method to grow "Just-Ask" those two words work. For the most part all of us at one time were asked and we said yes.

The other important emphasis in our lodges is our lodge Chapters. These ladies are so hard working and so important to our Moose Fraternity. We need to embrace them and work closely together to help our lodges grow and prosper. By doing just that our Mooseheart children, Moosehaven seniors and our communities will also prosper.

Ladies and gentlemen, as your state membership co-chairman, I call many members and visit lodges, I have found that due to the current economy many members who may be on a fixed income are having problems with dues and renewals - both men and women. I would like to suggest that at your lodge your board and membership committee review this situation and possibly offer some type of help or incentive to your members to renew or new enrollment members. A suggestion may be to offer some type of short term payment plan like \$20 per month in consecutive order to help with dues, at \$20 a month your member is looking at approximately only .70 per day which I pray they can afford and once the total is paid, it can be submitted for renewal. Some lodges are offering to members who can afford it, a pay two year dues and receive the third year. What a great help that would be to any lodges retention program.

If you need any help or suggestions/ideas please see myself, Renee LaPoint or Michael Wixom and/or your state board members. We are all here to help you and your lodge to be successful.

"JUST-ASK" " LETS GO GROW " GROW IS NOT A DIRTY FOUR LETTER WORD!!

Sincerely in Moose Friendship

Dennis Dost - WMA Membership Co-Chairman

MOOSE - "MAKE IT HAPPEN!"

May 1, 2022 - April 30, 2023

For the first time in several decades, The Moose is on track to generate an increase in membership, all because you believed that we could Make It Happen. We are telling the world what we are about as a Fraternity, and our missions of helping children in need, our senior members, and the communities in which we operate, are resonating with the public.

Even during COVID, our members continued to make an impact by distributing food to those in need, supporting the efforts of our first responders, and raising money for our two campuses at an unprecedented rate. You made that happen because of your commitment to the Moose and your caring attitude towards others. Now, more than ever, people see the things we do and understand the importance of having an organization that looks out for others at the most critical times.

Our 2022-23 campaign slogan is not only a statement but it is a challenge. Our members make things happen by helping others and showing what it means to be a Moose. To be successful we need to write down our vision and address it every day. Dream the dream, have a plan and Make It Happen!

HEART OF THE COMMUNITY

COMMUNITY SERVICE I SEE A MOOSE.....

I see a Moose was...parking cars at the fair, selling brats at the pavilion at the park, running the concession stand for music night, but did anyone else know you were a Moose? Probably not, why not? We do so many things for and in our communities, but we need to make sure our communities know who we are and how we can help them. Please take the time to get credit for our wonderful organizations' efforts by identifying who we are. How? Have a sign made up that says...

Ex. The concessions you are enjoying have been made and served by a member of the NAME Moose Lodge # !
THANK YOU!

Highway clean-up – Wear a Moose hat, shirt, and have signs on your cars that list your Lodge name and number. When serving desserts, etc. at a benefit – wear your moose shirt or better yet ask if you can put a sign on the table that perhaps says - the NAME Moose Lodge # is proud to assist this organization.

On items you are donating please attach a tag to them listing your Lodge or Chapter Name and Number. I see a Moose...Made this. I see a Moose...Donated this. Let your community know we are there for them, now and in the future, we will work together in our communities for the good of all.

As a reminder: Please remember your items for Operation Boot Strap (H.O. Community) Stevens Point must be here by Sat. before 3 p.m. Let's see how many vehicles we can fill this time. I thank you in advance for your generous donations, for your help in packing up the items at the end of the convention and most of all...I THANK YOU FOR BEING A MOOSE. I SEE A LOT OF MOOSE.....

Your H.O.C. Chairperson,
Helen M. Kiefer

DISTRICT ONE - Lodges and Chapters of - Beloit, Janesville, Monroe, Madison Capital City, Watertown

The district one lodges and chapters have all kinds of fun and interesting things going on, check your schedule and come on over or down and visit. In August the 19th - 21st the Monroe Lodge sponsored the State Horseshoe contest, a super event and great time. A good number of our Moose Legion members in the district attended the Allstate Moose Legion fun weekend in West Bend during the weekend of 8/26-28. A D-1 meeting was held at our Watertown lodge on 8/20 where a district picnic was proposed for a great day of fun, plus a lot of important business was taken care of. Our Council of Higher Degree also met on 8/20 organizing upcoming items and letting our members know all the work they are doing to help us be successful. Then Janesville Moose Rider / Drivers had a run to our Beloit lodge and the Harvard II lodge on 9/4 breakfast in Beloit was great. Our newest lodge Capital City and the Madison chapter held a super seminar on aging and care as we age in Sept. Our Monroe lodge on 9/15 will be opening the lodge to our Moose fraternity Chairmen of the Board COB visit 4 pm meet and greet dinner to follow. A Degree of merit Moose Pilgrim event in Beloit for our Joe Martin 9/24, dinner for the EMT's and first responders in Watertown, And the list goes on.

The proposed next WMA State President Mr. Michael Wixom from our Janesville lodge is going to do a great job. He has some good things planned. In Steven's Point we will all learn of his plan's and idea's. All our lodges and chapters are working hard for their lodges, communities, and our fraternity. Thank you all our District One lodges and chapters.

Dennis Dost - Proud to be District One President
